Commissioner Jane E. Henney  
Parklawn Building, Rm. 14-71  
5600 Fishers Lane  
Rockville, MD 20857

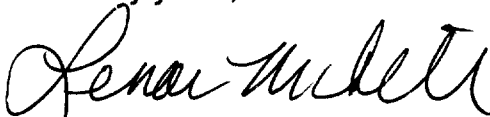

Dear Ms. Henney:

I am very concerned about the use of antibiotics in animal feed. Medically useful antibiotics added to animal feed to promote growth can make bacteria resistant to those antibiotics. I worry about the lives of my children and my own life if one of us should have a life-threatening bacterial infection and a viable antibiotic be unavailable.

I urge you to ban the use of medically useful antibiotics in animal feed.

Thank you for your consideration.

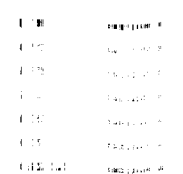

Sincerely yours,

A handwritten signature in cursive script, appearing to read "Lenora Mitchell".
